✿ LIVE THE MOMENT ✿

The best-kept secret of Maison Souquet, the Spa resonates with the intimate spirit of the lounges.

Away from the city's gaze, amidst the shimmering water and the mystery of dimly lit chambers, the Salon d'Eau opens the door to dreams. Above a ten-meter pool, a fairy-like cobalt blue vault studded with stars enhanced in gold leaf draws a poetic map of the sky. This enchanting decor is inspired by a salon in Munich's Villa Stuck.

A hammam and a treatment room complete this magical place that connects to another time, that of fleeting pleasures and the happiness of the moment.

Every day, for an hour at a time of your choosing, each guest of the house will possess the key to this enchanting place: you can visit the Salon d'Eau personally reserved for you, a privileged moment to enjoy an hour of massage, take a few laps in the pool, and relax in the hammam, in the strictest intimacy.
